Bartletts Set For Opener On Home Field

Lincoln's Black Cats Play In Placerville Sunday

Games Sunday

Lincoln at Placerville;
Auburn at Colfax;
Roseville at Loomis;
Wheatland at Folsom.

One of the largest crowds of the season is expected at Marcus P. Bennett, Jr. Memorial Park Sunday afternoon about 2 o'clock, for the opening game of the home schedule of the Bartletts, the Placer-Nevada baseball league. Their opponents will be the Lincoln Black Cats.

The matter of appropriating Mr. Gregory's shirt to use as a pennant atop the flagstaff until the end of the season when, we hope, it will be replaced by the real article, will be delayed a few minutes while a corps of gentlemen engage in the formalities of declaring the home season here and now under way.

None other than the league president, W. A. Shepard of Auburn, will preside at the exercises, assisted by Postmaster Joseph Scherrer, Jay Fox, James P. Morton and Henry S. Lyon.

And by this time we are arrived at the annual call "Play Ball," and, brother, smile when you say that.

Lincoln has no edge on the Bartletts, as far as the game last week is concerned, for Folsom pasted them 13 to 0 while the Barts were battling Roseville to take the short end of 5 to 3.

Granting that both clubs were a little "off form," we still see a chance for the Bartletts, according to the dope, to make it mighty interesting for the lads from the pottery community.

Meanwhile, Auburn and Colfax will be scraping for the league leadership with Roseville in a dangerous position against Loomis, whose lads fought Auburn ten innings to lose 8 to 7 in the league opener last week.

The apparently strong Folsom Club (13 to 0 over Lincoln) will play hosts to Wheatland, which dropped its opening game last week to Colfax, 18 to 2. Thus, we place ourselves away out on a limb and make the following guess as to Monday morning's standings:

	W	L	Pct.
Auburn	2	0	1.000
Roseville	2	0	1.000
Folsom	2	0	1.000
Colfax	1	1	.500
Placerville	1	1	.500
Loomis	0	2	.000
Lincoln	0	2	.000
Wheatland	0	2	.000

Now let's see.

Ice On Ailerons Blamed In Crash

PITTSBURGH (UP)—The crash of a transcontinental & Western Air luxury liner near here on March 25, which killed 13 persons, was the result of ice formations on the ailerons, a coroner's jury found last night.

After hearing testimony by aviation experts and eye-witnesses, the jury returned a verdict which upheld TWA's official explanation of the disaster.

DEATH CLAIMS LOVED PIONEER

Elizabeth M. McCusker Passes To Reward On Saturday

Miss Elizabeth M. McCusker, a native of Andover, Massachusetts and an El Dorado County pioneer of 1858, was called by death on Saturday morning at Placerville Sanatorium, where she had been a patient for the past week.

Last rites will be on Tuesday morning at ten o'clock from St. Patrick's church, Rev. Father T. J. Hayes officiating. Burial will be in the family plot in the old Catholic cemetery.

Miss McCusker had been active until the time of her last illness. Her passing, which casts a shadow of sorrow over a wide circle of friends by whom she was beloved even as she was by her sisters and other surviving relatives, resulted from the infirmities of advanced age.

Her parents also were pioneers in this county. With them, and a sister, she settled here in 1858. Of a quiet nature, she drew to herself a circle of friends by whom she was beloved and respected for her many excellent qualities.

For many years she had made her home with the Merson family by whose surviving members she was beloved as a sister.

Miss McCusker is survived by four sisters, who are, Mrs. Mary Ann Witmer of Placerville, Mrs. F. M. Page of Washington, D. C., Miss Monica McCusker and Miss Jane McCusker of Placerville.

She is survived in addition by a niece, Mrs. James B. Blair of this city, a nephew, John Witmer of Camino, and by several grand nieces and grand nephews.

The funeral arrangements were concluded in the care of Memory Chapel.

45 Days In Jail On Drunk Charge

Raymond J. Curtis made such a fervent plea for "another chance" when he was arrested for drunkenness early this week that Police Judge Eugene Creed gave him a 15-day suspended sentence.

But Curtis treated the suspension lightly and was taken into custody again Friday evening on the same old charge.

The sentence Saturday morning was 45 days in jail.

JURY IMPRISONED

CLEVELAND (UP)—Fifteen members of the Cuyahoga County grand jury, charged with the responsibility of inspecting the county jail, found plenty of cause for complaint today. Their elevator stalled between the third and fourth floors of the building and they were imprisoned for 15 minutes while repairmen worked to free them.

INVITES TOURISTS

BUDAPEST (UP)—To facilitate the great volume of tourist travel from America, the Hungarian government will permit all those holding U. S. passports to cross the boundaries of Hungary without visa. The customary fee will be eliminated until September 30, 1937.

Julian Dana, editor of The Pony Express Courier, was in Placerville today in connection with preparations for the May issue of the magazine.

Mr. Dana is the author of a number of notable works, among them "Gods Who Die" and "The Man Who Built San Francisco," his latest book.

Mr. Dana is also the author of a book about Captain John Sutter which is frequently confused with "Sutter's Gold," much to Dana's annoyance.

The Julian Dana book on Sutter is "Sutter of California," and if you make a mistake and call it "Sutter's Gold," you want to smile when you say that, podner; and then run—don't walk—to the nearest exit.

Ball season begins Sunday, and in the absence of anything similar, we take it upon our own to promise to send The Republican, during the length of the baseball season, free for nothing to the home of the Bartlett who socks the first home run of the day.

There's a chance to wield the big stick in The Republican cause.

THOMAS SEATS SELL RAPIDLY

Capacity Audience Is Promised Tuesday At Sacramento

As predicted last week, the advance sale of seats for the appearance of John Charles Thomas, great American baritone under the sponsorship of the Apollo Male Chorus of Sacramento in the Memorial Auditorium in Sacramento on the night of April 20th, indicates there will be an outpouring of music lovers from all parts of Northern California to hear and see Mr. Thomas in person. Carl L. Katzenstein, chairman of the committee from the charge of the arrangements, states the demand is gratifying and exceeds his fondest expectations. Mail orders for seats, accompanied by self-addressed envelopes should be directed to Willis Bass, care Sherman, Clay & Co., 914 K Street, Sacramento. The price scale including tax ranges from 55c to \$2.20.

The Apollo Male Chorus will also present several numbers including two in which Mr. Thomas will appear with the club as soloist in addition to his complete program. The two numbers selected will be "Home on the Range" by popular demand and "The Mascot of the Troop" from Victor Herbert's "Mlle. Modiste." The club has been drilling for months in preparation of this event under the direction of Dr. David Unruh and they promise a revelation in male chorus singing. It will be the first appearance of the club before the public.

Cougars Drop Close One To Sutter Creek

Ten-Inning Battle Is Lost, 5 to 4 On Friday

The high school Cougars dropped their first league game of the year when they bowed to Sutter Creek, 5 to 4, in a 10 inning contest on the Amador County diamond Friday afternoon.

The defeat left the Cougars at the top of the league a half game ahead of the Sutter Creek nine.

The locals will meet the Jackson Tigers in the final game of the schedule at Bennett Park Tuesday. A win will give them the league title, a loss will throw the Cougars in a tie with Sutter Creek and a play-off game will be necessary.

Friday's game was lost in the last of the tenth when, Jenkins, Sutter Creek freshman, who had been held hitless all day, led off with a three-bagger to score, a moment later on a wild pitch, with the winning run.

The Cougars started the scoring in the first inning when Goodrich, who had singled, scored on a triple by Carsten, local hurler. Sutter Creek made it one all in the second when Nickley singled, went to third on an error and scored on a passed ball.

Sutter Creek took a two run lead when they scored twice in their half of the fifth canto, two hits, a base on balls and a passed ball netting the runs.

El Dorado took the lead in the eighth, after scoring once in the seventh, when they scored twice without the aid of a hit. Four errors and a free pass scored Clark and Goodrich.

Not to be outdone, the Cougars presented Sutter Creek with the tying run in the ninth frame when Cavale was safe on an error and Nickley was hit by a pitched ball. The Sutter Creek boys pulled a delayed steal, Cavale scoring with the run on Ward's error.

Both Carsten for El Dorado, and Sam for Sutter Creek, hurled masterful ball, Carsten allowing but five hits, and the latter six. Eight Sutter batters went down before Carsten's fast one, while Sam sent five down swinging.

Coach Brown, in Tuesday's game, will probably start Carsten, who has hurled all league contests this year, and although Jackson has failed to break into the win column. Brown will use his regular line-up in an effort to end the league schedule with that game.

Coronation Curiosities

FLAMING CORONET

Compared with St. Edward's seven-pound crown, with which King George will be invested at the coming coronation, the Imperial State crown is a lightweight. It weighs 36 ounces. Yet it is one of the most precious crowns in existence.

In front it bears a Burma ruby as large as a hen's egg, acquired by the Black Prince in 1367 for services rendered Don Pedro the Cruel, King of Castile. Below the ruby, flames the

Second Star of Africa, a cutting from the famous Cullinan diamond dug from South African earth in 1905. The crown also contains 2,783 diamonds, 277 pearls, 17 sapphires, 11 emeralds and five rubies. It was made for Queen Victoria in 1838, was enlarged for Edward VII and was reduced in size for George V. It was the top part of this crown—a diamond orb and cross—that toppled to the roadway from the coffin of King George V during the funeral procession.

In modern-day warfare any distinguishing marks are taboo, but in the Middle Ages kings wore their crowns in battle.

At Bosworth field in the Wars of the Roses, Richard III wore his crown. But with the enemy pressing him hard, it seemed more prudent to take it off and remain as insignificant among his soldiers as possible. He had the crown under a hawthorn bush, hoping to pass that way again and recover it later. He never got around to it, though. Sir Reginald Bray, a leader of the rebels and the architect supposed to have designed the chapel of Charles II in Westminster Abbey, found the crown under the bush and clapped it on the head of Henry, Earl of Richmond.

"There you are, my boy," he said in effect. "Now you're king."

He was right, too. Richard died at Bosworth field and Henry VII started the reign of the House of Tudor.

Rail Strike Is Postponed To June 15th

Mediation Board Will Air Dispute Of Brotherhoods

SAN FRANCISCO (UP)—A strike, which threatened to tie up travel on 9000 miles of tracks of the Southern Pacific Railway in the eight western states of its Pacific division yesterday, has been averted until June 15 at least, it was announced today.

The strike, called definitely for 6 p. m., yesterday by the Brotherhood of Railroad Trainmen and the Brotherhood of Locomotive Firemen and Enginemen, was postponed 1 hour and 40 minutes before the deadline.

Postponement followed agreement by the two Brotherhoods to submit their dispute to a three-man emergency mediation board previously appointed by President Franklin D. Roosevelt.

The dispute, while not directly concerning the railway company, involved the company in that members of the two unions disagreed over membership representation with the locomotive engineers and order of conductors.

These latter brotherhoods of the big four had announced they would not join the trainmen and enginemen and firemen in strike action and the Southern Pacific indicated that it expected to be able to continue service with their help despite a strike by the other two unions.

EXPLORER WITH HOWE'S CIRCUS

Huge Ape Captured By Huffman Now With Show

Captain Johnos Hoffman famous wild animal hunter, will arrive in Placerville with the Howe Brothers Wild Animal Circus.

Captain Huffman has headed many expeditions into far away places in search of strange animals to be delivered to the various zoos and circuses throughout the civilized world.

Captain Huffman was engaged by private interests to penetrate a strip of land off the coast of South Africa, to bring back strange and curious animals for the exhibition at the Chicago world's fair. He assembled a group of men and the party landed at a small village in South Africa, there the native hunters from the bush country told Captain Huffman, through their interpreter, about a strange set of small apes who were like tribes of people of which were ruled by a king ape, which was a gigantic man ape, almost human in size, action and appearance.

The next day Captain Huffman, with the aid of a band of these natives, departed for the bush country, scouting for the whereabouts of this giant man ape, and after several days of hardships and travel, this tribe or band of apes were located in what seemed to be a village all of their own. After terrific struggle and using the skill as an expert animal trapper, after a long battle, the marks of which the Captain still bears, this giant ape was captured and immediately started on the long trek and voyage toward Chicago where this giant ape was exhibited all during the world's fair.

At the expiration of the fair, Howe Brothers Circus were the highest bidders when this animal was placed on sale and the ape is now on exhibition with the circus and is presented twice daily.

EL DORADO CO. HIGH SCHOOL CHRONICLE

Edited By Ken Ward

STUDENT BODY

A great deal of business was transacted in student body Thursday. Two proposed amendments to the by-laws—concerning the specifications of the sweater award and the illegal wearing of awards—were read. Following the passing of the bill that prohibited the illegal wearing of any type of award, a real discussion arose concerning the specifications of the sweater award.

The discussion was principally between the tennis team—who wish an award sweater similar to that of football—and the football squad—who didn't wish the similarity of the two sweaters. A standing vote proving unsatisfactory, it was decided that ballots would be passed around in the classes to determine the question.

The qualifications for the student body officers were read, and it was announced that the petitions for the 1937-38 officers must be in by 3:45 Wednesday, April 14th.

The basketball awards were then presented by Coach Brown. An "E" represents the first year of interscholastic competition; a star, the second year; a sweater, the third year; and a gold basketball, the fourth year. As the "C" team were the league champions, they were also presented with the gold basketball award. Those who were presented with awards were: "A" Team—Euell Gray, star and sweater; Chester Carstein, star; Clinton Gardner, "E"; Allan Goodrich, star and sweater; Ocho Justus, star and gold basketball; Kenneth Ward, star and sweater; Lester Frost, star and sweater; Bill Hardie, star; Daryl Prouty, "E".

"B" Team—Jack Butts, star and sweater; Bobby Clark, star; Roy Del Carlo, "E"; Jim Schroth, star; Gordon Blair, star; Bill Schroth, "E"; Lad Quiberg, star.

"C" Team—Don Maclin, star, sweater and gold basketball; Robert Bennett, star and gold basketball; Donald Thompson, star and gold basketball; Robert Cribbs, "E" and gold basketball; Deroy Hall, "E" and gold basketball; Robert Boggs, "E" and gold basketball.

The "A" team was presented with the trophy for the city league championship—By Jane Lyon.

The regular meeting of Three Forks Grange was held on April 10. During the business meeting Mr. and Mrs. O. Lawrence received the first and second degrees of the order. Mabel Gray was elected to the office of Ceres and Ernest Gray was elected one of the members of the executive committee.

Charles MacLaughlin, one of the state deputies of the Grange, reported on the recent state meeting of Grange deputies at Sacramento.

One of the most important issues decided upon by the deputies related to members who are delinquent in their dues. Any member may be reinstated in the Grange upon the receipt of one dollar in back dues and a half year's dues paid in advance, making a total of two dollars and fifty cents.

Members who may have had to drop out of the Grange because of lack of funds should find this ruling much to their advantage. It is suggested that former Grange members contact their local Grange organization.

The lecture hour afforded much entertainment. Poems were given by Bobby Cochran, Ida Tappan, Louise Vennewitz and Fern Rank. Charles MacLaughlin rendered two beautiful ballads and was assisted in one of them by Mrs. Mary Brown. Clark Rank gave a solo. A play, "The Farm Yard" was directed by Mrs. Louise Springer. Roy Snyder suggested and led a game. In the potato race the winners were Betty Fowler, Louise Vennewitz, Henry Hoffman and Charles MacLaughlin.

It was agreed that the men will prepare and serve the supper for the next meeting.

The regular meeting was adjourned after which a delicious plate lunch and coffee were served. MARGUERITE ARNOLD, Lecturer.

Marshall Grange

Marshall Grange met April 9 after being inactive for some time. There were all officers present. We voted to show a greater interest and to attend regularly in the future.

Master Ira Cushman, Jr., appointed a committee on entertainment for the next regular meeting with Maybelle Timm chairman, Daisy Rolfe, Fred Veerkamp, Bud Davenport and George Fogal. There will be a new committee appointed each month.

A communication was read from District 20 advocating increasing the road tax from 20 cents to 40 cents. It was filed. We feel the farmer has more taxes now than he can stand. After adjournment we were served a supper by the chairman of the refreshment committee Mrs. Daisy Veerkamp, which was very much appreciated. Granges are welcome at Marshall any time and the latch string hangs outside.

MRS. DAISY ROLFE, Lecturer.

Pilot Hill

Pilot Hill Grange No. 1 held its regular meeting Saturday, April 10, with a very small attendance. The matter of the current labor strike situation and its probable effect on perishable fruits was discussed. Refreshments were served after the meeting.

AFTER the first excitement of our entering the war subsided, the nation quickly settled down to the grim business of creating tremendous forces necessary to wage a successful campaign thousands of miles from home. One of the first problems was the lack of officers for the National Army-to-be. Soon, several camps were opened where college men were trained by United States regular army men and Allied veterans to become officers. National Guard units underwent intensive training for actual campaigning. Shipyards, munition factories and arsenals operated day and night and most civilians engaged in some form of war work for the huge campaign.

SAVE FORESTS PLAN ADOPTED

Lumber Manufacturers Form Conservation Section

WASHINGTON, D. C.—Adopting a three-fold program of action yesterday in Washington, the lumber industry has taken the lead, in conference with representatives of federal, state and other public agencies, in setting up a thorough-going program of forest protection and conservation.

At a forest conservation conference called by the president of the National Lumber Manufacturers Association, W. B. Nettleton, held at the Washington headquarters of the chamber of commerce of the United States, the industry presented a program of continually improved methods of forest management for the production of lumber and other materials.

This program is to be aided and extended in scope by federal and state support toward the removal of recognized obstacles to continuous forest ownership, such as inequitable tax systems, inability to obtain long-time credits and the public's failure to meet its responsibility in the prevention of forest fires.

Hope was expressed also that the cooperative protection principle and plan of joint maintenance of state and private forests for sustained timber production might receive legislative and administrative attention in the near future.

J. W. Ferguson, state forester of Oregon, expressed the general cooperative attitude of all state foresters in the program—in which other public agencies concurred.

G. F. Jewett was elected chairman of the forest conservation committee of N. L. M. A., a permanent group representing the constituent regional associations. Elected to serve on the executive committee of the forest conservation committee are the following: G. F. Jewett, Coeur d'Alene, Idaho; John Watzek, Jr., vice chairman, Chicago, Illinois; Julian F. McGowan, Chapman, Alabama; C. S. Chapman, Tacoma, Washington; John M. Bush, Negaunee, Michigan; J. J. Farrell, Poland, New York.

The place was acquired and got in readiness for them by the mother of Mr. Monroe, Mrs. Nancy Gooch, who had come here with a family before the Civil War, and by thrift and industry and genuine worth had won the respect of all she came in contact with, among them the family of the late Phil Beckett and J. COOL NOTES

Miss Louise Eberhard was a guest of Miss Betty Couder for several days last week, during the absence of her parents, Mr. and Mrs. George Eberhard, who were in San Francisco.

Last minute details are being rushed to completion on the hall here in preparation for the grand opening Saturday night. The floor space has been doubled, a lunch counter and bar added, and both interior and exterior painted. A record crowd is expected. Plans for the annual husband's night and the tenth anniversary of the founding of the Study Club were made at the last Thursday afternoon meeting and the date of Thursday evening, April 20th, was selected.

Alterations on the store here are going ahead rapidly. The bar will be open by Saturday and the store and living quarters completely remodeled within the next two weeks. George H. Eberhard left San Francisco Thursday by train for a business trip to Chicago, New York, and other eastern cities.

Master Willard Greenslate, Jr., of Balderson, has been visiting for the past week at the home of his grandparents, Mr. and Mrs. J. M. Steever.
